***** VOICETRAX CANCELLATION POLICY *****

Voicetrax Cancellation:

A Voicetrax cancellation is defined as a class whose schedule has been changed or totally cancelled. Substitution of a Guest Director is not considered a Voicetrax cancellation. Guest Directors and class dates are subject to change, and Voicetrax will contact you as soon as possible if there are any adjustments. If Voicetrax cancels a class, your payment will be credited to an upcoming class. If you have no other class confirmed at the time of the cancellation, you will receive a full refund.

Student Cancellation:

Except in the event Voicetrax cancels or reschedules a class, the \$75 deposit required for registration is **non-refundable** and **non-transferable**. This means that if you drop a class – no matter when you drop it – the money charged for a deposit will be *forfeit*.

You may cancel your registration for a class up until two weeks in advance of the class start date. Classes starting on a Saturday or Sunday revert to the previous Friday for the drop deadline. If you have paid the full amount, we will transfer it to another class minus your deposit.

No credit or refund will be given for any class registration cancelled less than two weeks prior to a class start date. You will be responsible for full payment of the class whether or not Voicetrax has received full payment.

To cancel your attendance in a class, it is mandatory to email the office at voicetrax@voiceover-training.com. No phone calls or messages left will be accepted; written notification is required to process your cancellation. If you have any questions regarding our cancellation policy, please call us (415-331-8800) prior to registering for a class.

These policies are necessary not just to keep enrollment running smoothly, but to allow you and your fellow students to reap the maximum benefits of the training Voicetrax provides. Many of the Guest Directors spend hours tailoring exercises to suit specific students in a class, and when enrollment shifts at the last moment, it's disruptive to them and to the class as a whole.

Thanks for your understanding.
